

# **CONVERSATIONAL ENGLISH**

**Levels B2, C1, C2  
Thomas Harcharick**

This course is designed for a limited number of students who wish to improve their speaking skills in an informal atmosphere.

Topics for discussion will be freely chosen in advance by the students; each week, two students will be responsible for leading class discussion on that subject; background reading (newspaper and magazine articles) and videos may be used as an added stimulus for conversation.

## **Autonomy Work**

During the last sessions, students will organize round-table discussions in small groups concerning pre-chosen topics and group leaders will present a oral review of each group's positions to the entire class.
