Language Requirements	Although students are not required a specific level of proficiency in Portuguese language, all exchange students must take a placement test in order to confirm his/her knowledge of Portuguese, on the first day of classes. Students are required to take a Portuguese as a Second Language class during the regular academic term corresponding to their level. Students also have the opportunity to take an Intensive Portuguese as a Second Language course before the regular semester begins, although this course is not mandatory.
Pre-Term Portuguese As a Second Language Intensive Course	Pre-Term Portuguese as a Second Language Intensive Course, held before the regular semester, will not be included in the student's transcript even if he/she enrolls in the regular semester. Instead, students who take the Pre-Term Portuguese as a Second Language Intensive Course will receive a certificate of completion indicating the course date, student's grade, and level of Portuguese taken, number of hours. The Portuguese language courses are offered at five different levels, from very basic to the advanced levels. Each student will take a placement test to confirm his/her exact knowledge of Portuguese. This course aims to develop the student's written and oral skills in Portuguese, preparing international students to attend regular courses at the university during the subsequent academic terms. Please check the link: http://www.puc-rio.br/ensinopesq/ccci/incoming/portuguese.html
Courses Available in English	The courses taught in English have an undergraduate content based on Brazilian and Latin American aspects, such as: Culture, Literature, Business, Design, Civilization and History, among others. Disciplines in English are not necessarily offered every semester. These courses are subject to academic planning. Along with the courses in English, international students must attend Portuguese as a Second Language class during their academic semester, as well as any other courses in Portuguese recommended by the coordinator. No English level is required to attend the courses taught in English. Although an intermediate level (B1) or upper proficiency is recommendable. http://www.puc-rio.br/ensinopesq/ccci/incoming/study_english_puc.html

Support for Disabilities	At PUC-Rio, we work closely with the Center for Disabled People – NAIPD . http://www.puc-rio.br/sobrepuc/admin/vrac/rae/ The NAIPD works directly with the CVI (Central of Independent Life). Coordinated by Disabled People at PUC-Rio and its purpose is to provide services for disabilities using individual approach, informing and guiding them, their families and all the interested ones. We work on a case-by-case basis to accommodate students' necessities the best we can. In case of students with learning disabilities, we have to contact their professor to inform their necessity. We can also help the students that need some extra time to take test, or exams or different kind of computer program etc. We cannot provide a Note Taker, but we can help the student to find a volunteer colleague to help him/her in this matter.
Internship	Exchange students are able to do internship in Rio de Janeiro. However, they need to be studying at PUC-Rio and we strongly recommend them to inform CCCI as well as CCESP (Internship Coordination Office) concerning this matter. Please contact the Incoming Coordination: Linda Sousa - incoming@puc-rio.br
