

KEEP THE BALL ROLLING

Levels A2, B1, B2, (C1)

James Cox

The course will consist of informal discussions on anything and everything. The only rules are: keep it in English and keep the conversation going. I'll be there to referee and to do a little correcting when necessary. We all come along with ideas, we all participate and we all make mistakes so don't worry about that - you don't need to be bilingual to communicate in a foreign language. Course assessment will be based on participation, interaction and accuracy of the language used. The autonomous learning aspect of the course will require students to reflect and work on "the art of conversation". This will be the unique subject of the final KTBR class at the end of the semester.
