Nomination and Application					
Deadlines	<table> <tr> <td>Nomination</td><td> Autumn semester: 15 March to 15 May Spring semester: 1 October to 15 November </td></tr> <tr> <td>Application</td><td> Autumn semester: 1 April to 1 June Spring semester: 15 October to 1 December </td></tr> </table>	Nomination	Autumn semester: 15 March to 15 May Spring semester: 1 October to 15 November	Application	Autumn semester: 1 April to 1 June Spring semester: 15 October to 1 December
Nomination	Autumn semester: 15 March to 15 May Spring semester: 1 October to 15 November				
Application	Autumn semester: 1 April to 1 June Spring semester: 15 October to 1 December				
Nomination	We will only accept nominations from institutions with a current exchange or double degree agreement with the ETSEIB. Partners may request the nomination link via incoming.etseib@upc.edu when the nomination period opens.				
Application	Nominated students should access eSecretaria to fill in: - Online Application and upload the requested documents ○ Program type: Application for exchange students ○ Program name: 240Mobili – ETSEIB – Mobility program (Barcelona) - ETSEIB Learning Agreement. Course selection is based on students' previous academic background and qualifications. Approval is subject to course availability.				
Admission	Students will receive an acceptance e-mail through the application system. An official admission letter will be also sent to the accepted candidates 2 weeks after the application deadline. <i>Students requiring a VISA will receive an early admission upon acceptance.</i>				

Academic information BEFORE ARRIVAL	
<i>Insurance</i>	After admission, exchange students should upload a single merged PDF to eSecretaria containing the following documents: • UPC Responsible Statement • European Health Card (if applicable) • Private insurance https://etseib.upc.edu/ca/mobilitat/insurance
<i>Academic Calendar</i>	Calendars • Bachelor's degree • Master's degree
<i>Workload</i>	Exchange students need to perform between 15 and 30 ECTS per semester: • Courses from the Course Catalogue for Exchange Students • Final Degree Project or Master's Thesis - 30 ECTS • Research Assignment for exchange students - 15 ECTS
<i>Courses</i>	Students must choose ETSEIB courses in the online Course Catalogue depending on their previous academic background and their qualifications: Mobility Incoming (Complete list)
<i>Restrictions</i>	The availability of places is limited in all courses. It will be definitely confirmed after the enrolment. Some courses require a Bachelor of Engineering or / and a previous knowledge in the field of the course. See requirements: https://etseib.upc.edu/ca/mobilitat/application/incoming-application#requirements
<i>Research assignment 15 ECTS</i>	Research assignment for exchange students During the application process, students should find their research topic and tutor via this link: Academic and research units Admission requires a confirmed tutor. Students should inform the International Relations Office and register their project via eSecretaria. The Research Assignment is assessed based on a formal presentation to the tutor and the submission of the final project via eSecretaria. <u>No public defense is required.</u>

<i>Master's Thesis</i> 30 ECTS - Modality A	Final Degree Project or Master's Thesis (MT). Modality A During the application process, students should find their research topic and tutor via this link: Academic and research units Admission requires a confirmed tutor. Students should inform the International Relations Office and register their project via eSecretaria. Master's thesis has to be defended at the ETSEIB following the academic regulations and calendar. Calendars
<i>Double degree students</i>	Double degree students need to apply as the procedure described above in the Application section.

Academic information UPON ARRIVAL

<i>Welcome days</i>	Welcome sessions take place at the ETSEIB: • Autumn semester: First week of September • Spring semester: First week of February
<i>Enrolment and documentation</i>	There are two enrolment periods: • Autumn semester: September • Spring semester: February
<i>Exams</i>	Course Assessments: • Autumn semester: January • Spring semester: June • Re-evaluation (both semesters): July <i>*Important: Students must register for REAVA during the Spring semester enrolment period.</i>
<i>Transcript of Records</i>	Official Transcript of Records are now issued in digital format. Each one includes a digital signature and a secure verification code for authenticity. Students can download their transcript directly from eSecretaria following this path: eSecretaria > Certificates > Academic certificates > Incoming mobility certificate (Digital signature) Documents are available following each semester's Curricular Assessment (AC). Please check our Calendars for specific dates.

Grading System

The transcripts of records reflect the name of the subjects in English, the ECTS grades and local grades. For more information about the grading system at UPC, follow this link:

[Assessment system and credits](#)

Note: A Gaussian distribution is used to convert local grades to ECTS letter grades. Letter grades are assigned based on the overall distribution of grades in the course.

Certificate of attendance

Students should visit the International Relations office to have their certificates signed and stamped **both upon arrival and prior to their departure.**
